

Introduction

Winchester City Council recognises the important role that community & voluntary organisations have in delivering key services to the people and communities of the Winchester District. As such the Council's grant funding programme is aimed at supporting voluntary and not-for-profit groups and organisations in the District that can clearly demonstrate how their services and projects help deliver a cohesive, sustainable, resilient community.

In 2023/24 the Council is providing a number of grant funds:

- Priority Outcomes Fund (2022-2025)
- Small Grants (District and Town Forum)
- Project Grants

Each fund has a specific application process, and some differences with regard to whom is eligible to apply, but the outcomes sought from the grants programme apply to each fund.

If you require any assistance with an application, or if you are a new applicant please contact the Funding & Development Officer:

Winchester District Small Grant Scheme 2023/2024

Introduction

The Winchester District small grant scheme is designed to provide small-scale, **one-off grants of up to £1,000** to local voluntary/not for profit groups and organisations.

Funding is targeted at activities which require **one-off expenditure** or initial set up/pump priming costs. The grants are available for one-off pieces of expenditure on projects, equipment and other items which will help your organisation to do more, to reach more people, to provide better services or to try something different. Examples of eligible costs include new or start-up equipment, set up costs for new groups, special events and activities.

The community grants team can help with any questions you have about the scheme and can support applicants to make an application. The team can be contacted by email to grants@winchester.gov.uk. In addition if you would like to discuss an application in more detail, or if you are a new applicant please contact the Funding & Development Officer:

Application

This is a competitive fund and each application will be assessed against the grant eligibility and criteria. At the time the application is submitted, to enable the council to assess applications fully, all sections must be completed with all the information you wish considered together with all the documents requested.

Applications should be made via the official application form and submitted by the agreed deadline found on our website. There is an annual budget for this scheme and it may close early if the fund is fully allocated before the advertised deadline.

You should allow approximately 10-12 weeks from submitting your application to receiving a decision. If you require funding in a short timeframe, please contact us before starting an application to check whether a decision can be made before your work is likely to commence. We can not fund activities which are already underway.

Funding decisions are delegated to Winchester City Council's Funding Officer and Corporate Head of Economy and Community. Should your application be eligible and suitable for funding we would like you to attend a virtual panel meeting in order for us to have a brief discussion with regards to your application. Please ensure that you or a representative from your organisation is available to attend. You will be advised shortly afterwards if your organisation will receive the funding you requested.

The council's decisions with regards to funding are discretionary and no appeals process is available.
