<b>RESPONSE SENT:</b>	15/05/2024

## Request:

- I would like to know how much money the council has collected in affordable housing contributions under section 106 or community infrastructure levies in the years: 2023,2022,2021,2020.
- I would like to know for the same years how much of the money was spent.
- I would also like a list of the projects that the money was spent on.

## Response:

### 2020

Collected - £622, 118.82  
Spent – Admin costs.  
Projects - none

### 2021

Collected - £2,352,488.58  
Spent - £75,000.00  
Projects - Waltham Chase Exception Site

### 2022

Collected - £1,646,191.96  
Spent – Admin costs  
Projects - none

### 2023

Collected - £4,572,761.50  
Spent - Admin costs  
Projects – none

The above are Section 106 receipts as there are no affordable housing contributions associated with Community Infrastructure Levy (CIL). The above reflects the fact that Winchester City Council is a local authority that develops its own housing and so has a range of finances that it draws upon and also that the District contains 3 Major Development Areas.
