<b>RESPONSE SENT:</b>	03/09/2024

**Request:**

I would like information about your council's planning in relation to climate action for the Council Climate Action Scorecards. This information is most likely to be held by a planning officer or similar.

In particular, please supply me with information relating to the following question:

Has the council approved any new or expanded airport runways, terminals, measures to increase passenger numbers or other planning proposals that expand airport capacity in its area since the 1st January 2020 until 15th August 2024?

Please list which ones were accepted. I look forward to hearing from you in due course.

**Response:**

I have treated your request as made under the Environmental Information Regulations 2004 (EIR), since the information held on planning files is usually environmental information.

I have liaised with our Planning Department and I can confirm that we do not have any airports, runways or terminals in the Winchester district.
