

FOI REF:	14709
RESPONSE SENT:	20/09/24

Request:

I should like to know whether or not any agreement has been signed since November 2021 with the University of Southampton or Winchester School of Art, regarding the land previously used for the River Park Leisure Centre and its associated parking and landscaping, the skate park and the indoor bowls club and its parking. To clarify: this is the land covered in W10 of the local plan.
