

FOI REF:	14717
RESPONSE SENT:	26/09/2024

Request:

Our scrutiny officer has been asked by our Head of Service to get hold of and read the Housing Revenue Accounts and Housing Investment Plan for our “Nearest Neighbour” lower level local authorities. Could you please let us know therefore:

- a. Do you maintain your own housing stock, no matter how few properties and
- b. How we can get hold of such documents as another LA, rather than a member of the public?

Response

Yes, we own and maintain a housing stock of 5200 properties.

The Housing Revenue Accounts and Housing Investment plans are available online:
