RESPONSE SENT:	18/10/2024

Request

Under the Freedom of Information Act 2000, I would like to request the following information for the past five years (2024,2023,2022,2021,2020,2019):

MOT Failures

- The total number of vehicles that have failed their MOT test, broken down region and by month between January 2019 and October 2024. If time allows, please provide the regional data by postcode area.
- A breakdown of the most common reasons for MOT failures for tests between January 2019 and October 2024, categorised by defect type (e.g., lighting and signalling, brakes, suspension, tyres, etc.). Please provide the total number of failures for each
- A breakdown of MOT failures by vehicle age, categorised as:
 - 0-3 years
 - 4-6 years
 - 7-10 years
 - 11-15 years
 - 16+ years
- The number of fines issued for cars without an MOT, broken down by month and region.

Please can you provide this information in an Excel spreadsheet or CSV file.

Response

The majority of business journeys are undertaken by staff in privately owned vehicles and this information is therefore not available.

The councils fleet of 25 vehicles are leased and not owned by Winchester City Council and MOT documents are sent to the leasing companies and the MOT fees (including repairs) are paid by the leasing companies.
