

## **Winchester District Small Grant Scheme 2025/2026**

### **Introduction**

The Winchester District small grant scheme is designed to provide small-scale, **one-off grants of up to £3,000** to local voluntary/not-for-profit groups and organisations that aim to benefit their local community.

Funding is targeted at activities that **promote healthy communities** and require **one-off expenditure** or initial set up/pump priming costs. The grants are available for one-off pieces of expenditure on projects, equipment and other items which will help your organisation to do more, to reach more people, to provide better services or to try something different. Examples of eligible costs include new or start-up equipment, set up costs for new groups, special events and activities. Unfortunately, these grants cannot be used towards the ongoing operational costs of delivering your usual activities.

**For applications under £1,000** there is a short application to form to complete.

**For applications between £1,000 and £3,000** you will be required to answer some additional questions and provide a minimum of 25% of the total project cost in match funding from other sources.

We update our criteria from time to time so please make sure you read the documentation carefully and let us know if you have any queries. The community grants team can help with any questions you have about the scheme and can support applicants to make an application. The team can be contacted by email: [grants@winchester.gov.uk](mailto:grants@winchester.gov.uk).

### **Key Dates**

Fund closes to applications: **31 January 2026** or sooner on the full allocation of the budget.

We aim to support organisations throughout the year, so the fund is open on a rolling basis with panels held to review applications every couple of months. Please note this is a competitive fund and is likely to be over-subscribed.

## What you can apply for – funding themes and priority outcomes

You can apply for a grant to cover the following costs:

- One off cost of unique activities or special events\*
- Purchase of additional equipment or materials
- Set up costs for new groups
- Marketing material

\*Grants for unique events can be used towards items which will enable the event to take place such as venue hire, signage or equipment hire/purchase. We are unable to fund entertainment and refreshment costs.

These grants are intended to provide small scale funding and are unlikely to be awarded as a contribution to a large-scale project, unless the grant would complete your fundraising target.

We expect competition for these grants to be high and will give priority to organisations whose work supports the most vulnerable people in our communities. Applicants must explain how the grant will help their organisation deliver one or more of the council's funding priorities listed below. Examples of the activities we might fund can be found on our [website](#):

### **Funding Priority 1: Healthy Communities**

**Outcomes** we want to achieve:

- Support for those most affected by the increased cost of living.
- Improved health and wellbeing in our most deprived communities.
- Increasing participation in physical activity for all ages and abilities, including active travel.
- Access to attractive and well-maintained public facilities, green and natural spaces with space to play and gather for all ages.
- Thriving local voluntary, and community sector – tackling isolation, building community cohesion and supporting those in need.

### **Funding Priority 2: Greener Faster**

**Outcomes** we want to achieve:

- The Winchester District to be carbon neutral by 2030
- Reduced waste and increased recycling
- Cleaner air than national targets
- Better protection against extreme climate events
- Increased proportion of journeys by public transport, foot or bike
- Reversing the long-term decline in nature and biodiversity

**We are unable to fund:**

- Local or national appeals
- Student expeditions
- Play areas (eg. large equipment for public playgrounds)

- Activities which are of a political or religious nature, or organisations supporting political activism (we can fund religious organisations if their project benefits the wider community and doesn't include religious content).
- School or preschool projects unless there is wider community benefit
- Replacement or "like for like" equipment/items
- Projects of a statutory nature
- Retrospective funding of activities/projects
- General running costs of an organisation. Staffing costs will only be considered if these are additional time limited costs incurred as a direct result of delivering your project. We can't support salaries for existing staff usually covered by other income.
- Fundraising events/activities for your organisation or others
- Activities/events that make a profit and have no financial need for our grant
- Repeat activities/projects
- Websites
- Projects or activities that have received funding in previous years via this scheme or from other council funds
- Events or activities that charge an entrance fee or a fee to take part (unless these is a provision to include those who might otherwise be excluded due to affordability)
- Professional fees and licenses including feasibility studies, planning fees, permits and event licenses.
- VAT you can reclaim

If you're not sure please contact us to find out what you can spend the grant on.

## Application process

This is a competitive fund and each application will be assessed against the grant eligibility and criteria. At the time the application is submitted, to enable the council to assess applications fully, all sections must be completed with all the information you wish considered together with all the documents requested.

Applications should be made via the Flexigrant online system and submitted by the agreed deadline found on our website. **Follow this link to apply here now:** [Flexigrant](#). If this is difficult for you we can find an alternative way for you to apply – please contact the team by emailing [grants@winchester.gov.uk](mailto:grants@winchester.gov.uk) or calling 01962 848269.

There is an annual budget for this scheme and it may close early if the fund is fully allocated before the advertised deadline.

Should your application be eligible and suitable for funding we will invite you to a virtual panel meeting on MS Teams so we can have a brief discussion about your application. You will be advised within a couple of weeks of the meeting if your organisation will receive the funding requested. **Please allow approximately 10-12 weeks from submitting your application to receiving a decision.** If you require funding in a shorter timeframe, please contact us before starting an application to check whether a decision can be made before your work is likely to commence. We cannot fund activities that are already underway.

Funding decisions are delegated to Winchester City Council's Funding Officer and Corporate Head of Economy and Community. The council's decisions with regards to funding are final and no appeals process is available.

1. Organisations applying for funding must be able to support one or more of our funding priorities.
2. Organisations/groups applying for a grant must have a current bank account in the name of the organisation/group. Winchester City Council will not make grant payments to individuals, even if they are an official of the organisation.

4. Only one grant from this funding scheme will be given to an organisation in any one financial year.
5. Organisations working with children, young people or vulnerable adults must have a robust protection policy in place and ensure that all active staff and volunteers have undertaken a DBS check. 6. Organisations/groups must be able to demonstrate that they have an open access/equal opportunities approach towards membership, use of their facilities and activities. 8. Organisations should have the relevant policies and permissions in place in order to provide their service.

## **Grant Terms**

Funds will be released in one payment. All grant recipients will be required to explain how they used their grant within three months of spending the grant. The organisation must submit to the council a short project completion report, to confirm that the money was spent on the approved purpose, or the council may seek to reclaim its funding.
6. **For grants of between £1,000 and £3,000** payment of the grant will be made in two parts with 50% paid following formal notification of the grant and receipt of the signed Funding Agreement.
