Request

I would like to make an FOI request.

I would like to know the number of people that have reported fake QR codes in council owned car parks and, if possible, the amount of money that people have lost due to these scams.

Please fill out the provided table below:

	2024	2023	2022
Total number of QR code parking scams reported			
How much money has been lost due to the scam
