Request

Dear Council FOI Officer / Information Governance Team,

I am writing to make a request under the Freedom of Information Act 2000.

Please provide the following information regarding the council's bulk fuel purchases:

- The types of bulk fuel purchased by the council (e.g. diesel, petrol, heating oil, etc.).
- The frequency and volume of these bulk fuel purchases over the past 12 months.
- The price per litre paid for the most recent purchase of each fuel type.
- The name, job title, and contact details of the procurement lead or officer responsible for bulk fuel purchasing.

Response

Good afternoon,

Winchester City Council have not made any bulk fuel purchases over the past 12 months. For further context, no council buildings are heated by oil, fuel cards are used to purchase petrol/diesel for ICE vehicles, while the council also has a fleet of electric vehicles that purchase electricity from electric vehicles chargers.
