

FOI REF:	15974
RESPONSE SENT:	27/08/2025

## Request

Dear Winchester City Council,

Under the Freedom of Information Act 2000, I respectfully request the following information regarding the vehicles owned, managed, or leased by your authority as of August 2025.

1. Total number of road-legal vehicles currently owned, managed, or leased by the council. This should include all vehicle types (e.g., cars, vans, HGVs, specialist vehicles) registered for use on public roads.
2. A Breakdown of the different fuel types
  - Electric: Vehicles powered solely by an electric battery.
  - Hybrid: Vehicles that combine an electric motor with a petrol or diesel internal combustion engine (this includes both standard hybrids and plug-in hybrids).
  - Petrol: Vehicles powered solely by petrol (excluding hybrids).
  - Diesel: Vehicles powered solely by diesel (excluding hybrids).
  - Other?

Notes to ensure clarity:

- "Road legal" refers to vehicles that are registered to drive on public roads, excluding those used solely on private land (e.g., golf buggies, some groundskeeping equipment).
- "Owned, managed, or leased" includes any vehicles under the council's direct control, regardless of the financial arrangement.

## Response
