

<b>FOI REF:</b>	16230
<b>RESPONSE SENT:</b>	19/11/2025

### Request

Please treat this as a request for environmental information under the Environmental Information Regulations 2004 regarding planning application 21/02238/HOU (86 Priors Dean Road, Harestock, SO22 6JY).

Further to your response dated 17 June 2025, I'm seeking a narrow set of specific records covering 1 August 2021 to 31 July 2023:

- Structural documentation referenced by Building Control Structural engineer calculations, drawings and/or approvals relied upon by Building Control in relation to underpinning, steelwork (including beams), roof trusses and any party/boundary wall works for 21/02238/HOU.

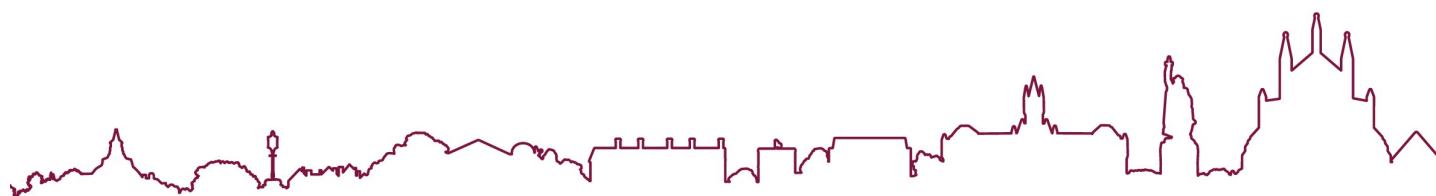

If these were submitted to or held by the Council at any point (including via email), please disclose them. If they were never held, please confirm "not held" under Reg 12(4)(a) and, if known, identify who holds them.

- Evidence of consideration of the Parish Council objection

Any internal document that evidences how the Littleton & Harestock Parish Council objection was considered in the assessment/sign-off (e.g., case notes, sign-off sheets, internal emails or review notes), beyond the public officer report.

- Building Control records related to the Oct–Nov 2022 inspections

Emails/notes between Building Control and the builder/developer that relate to the 10 October 2022 and 1 November 2022 inspections (where holes/crack to the garage/party wall and remedial steps were noted), together with any follow-up confirming satisfactory resolution prior to completion.

## Response

Please refer to the two appendices
