Request

I am currently conducting research into housing provision within the City of Winchester. To support this work, I would be grateful if you could provide a list of residential properties owned and managed by Winchester City Council. If available, I would also be interested in any records of properties that were previously under the council's management.

For ease of analysis, I would prefer to receive the information in a spreadsheet format such as Excel or CSV.

I understand that this request may fall under the Freedom of Information Act 2000 and/or the Environmental Information Regulations 2004, and I am happy to proceed through the formal process if required. If there are any reasonable fees involved in providing this data, please let me know — I am willing to cover them.
