## Request

I am writing to request a comprehensive list of all supported living, hostel, and temporary accommodation facilities within your area. This request is part of a wider initiative focused on fire prevention and risk management and aims to ensure that appropriate safety measures are in place across all relevant accommodation settings.

The information will assist us in reviewing current fire safety protocols and identifying any areas where additional support or guidance may be beneficial. If available, please include the following details for each facility: Facility name and address Type of accommodation (e.g., supported living, hostel) Managing organisation or contact details

If there is a preferred process or form to complete this request, please do let me know.
