### **Request**

I wish to know which businesses and organisations in the last 12 months have been served notice to vacate their premises in units 1 through to 14 Kings Walk and including the Nutshell and also the premises fronting Middle Brook Street which form part of the Council owned Friarsgate complex. It would be helpful to know the terms of the Council's notice requirements for each premises.

### **Response**

No tenants have been served notice in the last 12 months, and the Council are obliged to provide notice in accordance with the individual tenant's lease terms.
