### **Request**

I would like to know what funds have been received and from who, by the Council since 1 January 2020 through S106 requirements for affordable housing and what monies have been used to deliver affordable housing and where those schemes are.

### **Response**

Attached is a report showing the funds which have been received and from who since 1<sup>st</sup> January 2020 through S106 requirements for affordable housing.

With regards to what monies have been used to deliver affordable housing and where the schemes are

In 2021 a grant of £75,000 was given to Hyde Housing Association (2nd part of grant) for Rural Exception site in Waltham Chas e

2025 onwards, Cabinet has approved the use of S106 affordable housing commuted sums for the Woodman Close scheme in Sparsholt (the financial appraisal for this scheme is currently commercially sensitive so not able to be disclosed).

The New Homes team are undertaking preliminary due diligence feasibility work on 17 land-led sites in the Winchester District. Of these, it is anticipated that 3-5 sites will be taken forward to outline business case for consideration by Cabinet. It is anticipated that these sites will require the use of S106 affordable housing commuted sums alongside Homes England grant to enable viability.
