

FOI REF:	16775
RESPONSE SENT:	11/03/2026

Request

Please could you provide me with data based on how many council houses or semi independent living for young people (where they have their own residence and have floating staff) and how much availability there is.

If possible include the waiting list length too.

Response

Any accommodation of this type would be commissioned by Hampshire County Council. For this information you will need to request an FOI with HCC
