

<b>FOI REF:</b>	16598
<b>RESPONSE SENT:</b>	13/02/2026

### Request

Please provide the following information:

Electrical Testing – EICR, PAT, Emergency lighting, and Lightning protection services

Current Contract Status: Start and end dates of the current contracts. Specific department or person responsible for managing these contracts Contract Scope: A general overview of the services covered, such as routine inspections, testing (e.g., to BS EN 62305 standards), and remedial repairs.

This information will enable us to understand your current service schedule and prepare effectively for any future tender or renewal opportunities.

### Response

For the majority of Winchester City Council sites these items are the responsibility of the tenants, the Council have a handful of locations:

- PAT – carried out in-house
- Emergency lighting and EICR, quotations for individual sites sought
- Lightning Protection, quotations for individual sites sought

For further information relating to how the council buys goods and services please see [Opportunities to Work with the Council - Winchester City Council](#)
