

<b>FOI REF:</b>	17239
<b>RESPONSE SENT:</b>	10/06/2026

## Request

Under the Freedom of Information Act, I would like to request information about three software systems used by your council.

### **Committee Management System (CMS), Democratic Services**

Please provide the following information about the current CMS used by your council for committee management, meeting agenda and report pack publication, election results, and councillor profile management:

- Name of the software supplier and product
- Any optional add-on modules taken in addition to the core CMS product
- Contract length and expiry date
- Total contract value
- Annual support and maintenance cost

In addition to the above, please also provide the:

- Total number of councillors elected to your council

### **Electoral Management System (EMS), Electoral Services**

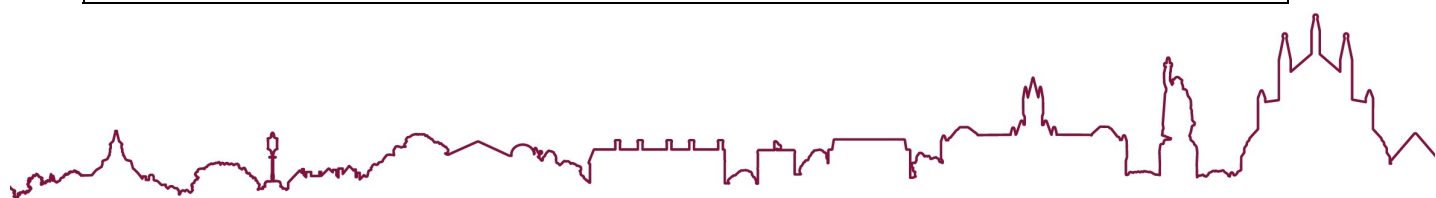

Please provide the following information about the current EMS used by your council for management of the Register of Electors, elections, and canvass:

- Name of the software supplier and product
- Any optional add-on modules taken in addition to the core EMS product
- Contract length and expiry date
- Total contract value
- Annual support and maintenance cost

In addition to the above, please also provide the:

- Total electorate for your council area
- Number of voters registered to vote by post

### **Polling Station Management, Electoral Services**

Do you use a software product and devices (such as a tablet) for the electronic processing of voters in your polling stations? If yes, please provide the following information:

- Name of the software supplier and product
- Any optional add-on modules taken in addition to the core product
- Contract length and expiry date
- Total contract value
- Annual support and maintenance cost
