## Request

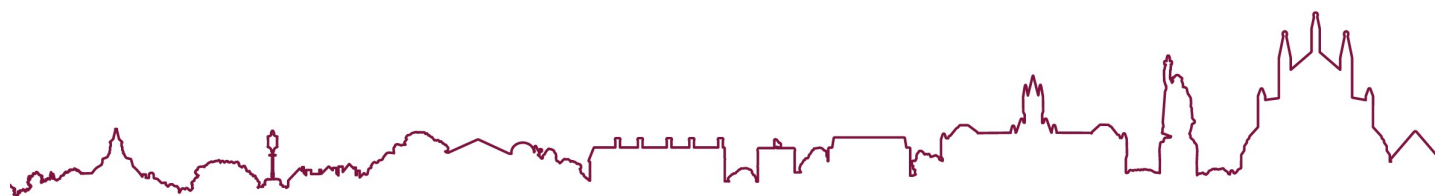

Please provide the following council-wide yearly data from Winchester City Council for each of the following financial years (from the first to last day of each financial year) - 2021/22, 2022/23, 2023/24, 2024/25, and 2025/26:

### Council tax:

- 1) The number of live council tax accounts at the end of each financial year (if held).
- 2) The number of council tax accounts with arrears at the end of each financial year.
- 3) The total value (£) of council tax arrears outstanding at the end of each financial year.

### Debt collection:

- 4) The total amount (£) of council tax arrears collected/recovered in each financial year (regardless of the year the debt relates to).
- 5) The total number of liability orders issued for council tax arrears in each financial year.
- 6) The total value (£) of liability order costs charged to council tax accounts in each financial year.
- 7) The total number of council tax arrears cases referred to enforcement agents in each financial year.
- 8) The total value (£) of unpaid council tax debt for cases referred to enforcement agents in each financial year (based on the balance recorded when the case was referred, where available).
- 9) The total value (£) of enforcement agent fees added to council tax accounts in each financial year (if held).
