For any one query, if you record any of this data, but not using the variables and/or formats requested, please provide us with this data as you possess it, where possible

Questions 1, 8 and 15) * This does not include general housing advice. By presenting we mean all who presented themselves as homeless even if they were not subsequently assessed. This might include individuals who presented before 56 days of becoming homeless, or at risk of homelessness, believed they were homeless but did not meet requirement, presented but were not eligible for homelessness assistance.

Questions 2 and 9) *** While this assessment is a new duty brought in by the HRA, it is a duty under part 7 of the Housing Act as amended by the HRA.

Questions 6 and 13) **** By this we mean- following unsuccessful prevention and/or relief outcomes, how many young people underwent a final assessment under part 7 of the Housing Act in order to assess their eligibility for a statutory main housing duty

Questions 7 and 14) ***** After undergoing a final assessment, how many young people were accepted as statutorily homeless and offered a statutory main housing duty.
