

FOI REF:	17202
RESPONSE SENT:	20/05/2026

Request

Please provide the number of food businesses (including restaurants, cafés, takeaways and other eateries) in the Winchester City Council area that have permanently closed during the last full 12-month period for which you hold data.

If available, please break this down by month, including dates and type of business (for example, restaurant, café, pub, takeaway). If you hold it, please also provide any brief explanatory notes you record on the main reasons for closure.

Response

Please find below the food business' name and date of closure in month order for the last 12 months. Although we often record why the premises has been closed this would be free text only and not from a drop down list, so is not included.

Refval	Tradeas	Closed	Month
