Request

Can you Confirm if Retention was withheld on Milestone Regeneration Limited on the construction contract for the works at King George Pavillion. If retention was held, can you confirm if and when it was released and to which company.

Response:

We can confirm 2.5% of the final contract sum retention was released and paid to Milestone for the new build KGV Pavilion. A further 2.5% was withheld by WCC to enable WCC to carry out the remaining outstanding items not completed by Milestone.
