**RE: FOI regarding Bushfield Camp Planning Application**

Please accept this letter as response to your request stated below, which was received on the 18<sup>th</sup> May 2026.

*'The following document was removed from the Bushfield Camp amended planning application 23/02507/OUT portal:*

*23\_02507\_OUT-NATURAL\_ENVIRONMENT\_TEAM\_-  
\_LANDSCAPE\_\_ECOLOGY\_\_TREES\_\_SUSTAINABILITY-4028741*

*I wish to know the specific reasons for its removal, in detail.*

*Also, i wish to know when the amended version will be published to the portal'.*

I have treated your request as made under the Environmental Information Regulations 2004 (EIR), since the information held on planning files is usually environmental information.

Your request does not fall within the scope of the Environmental Information Regulations 2004, as the information requested concerns the removal of a document from an electronic case file and not “environmental information” as defined under Regulation 2(1) of the Regulations.

However, I can advise that the document in question was uploaded in error at draft stage. The planning application at Bushfield Camp remains under consideration, and consultation responses will be published to the case file once finalised.

If you are dissatisfied with the handling of your request, you have the right to ask for an internal review. Internal review requests should be submitted within two months of the date of receipt of the response to your original letter and should be addressed to: Service Lead – Legal, Winchester City Council, City Offices, Colebrook Street, Winchester, Hampshire.
