<b>RESPONSE SENT:</b>	24.03.26

## Request

Can you tell me how much income/revenue has been generated from your parks services in the last three years per annum? Please give details of individual services and how much they raised.

- Can you tell me, is the money generated from these services fed back into council owned parks or does it go into a central budget?
- Can you tell me, are your parks currently maintained by the council or by an external contractor? Over the past three years have they been maintained by the council or by an external contractor?
- Can you tell me what your council maintenance budget has been over the past three years?
