Discussions	
Agenda Item No:	
1	Welcome by Tony Winterton (Chair) Tony spoke about the speakers today Speaker 1 Sacha Welsh Citizens Advice Community engagement. Sasha spoke about the financial resilience project, this includes over retirement age, (State) and offer practical advice. Sasha spoke about the help she is able to provide around:- - Energy bills - Grocery bills - Future planning – such as LPA, Wills - Financial support that people are entitled to - Scams and how to support - Safe and confident with digital challenges – FREE Monthly coffee meetings virtually on teams partner organisations welcome, let Sas ha know if you would like to discuss your organisation during the coffee meeting.

	Tony Winterton Tony asked the group about interests in the community. Dementia action week was a huge success, Tony wanted to know what the fallout from it was? Jess raised how the success of action week could go on over the winter period. Anna spoke about how this might help the NHS pressures. Cold spaces were discussed, and a discussion took place around the room. Action – Jess agreed to think about what could be achieved over the winter period, Tony, Anne and Anna agreed to support Jess with this. Speaker 2 Cheryl Harding and Daniel from Hampshire and IOW, ICB (Integrated care board) Daniel spoke about the current summer engagement tour which had currently included 44 neighbourhoods talking about NHS 10 year plan which was launched 2025. Daniel discussed the 3 areas of the 10 year plan 1, Hospital community 2, Analogue – digital 3, Sickness – prevention. Please see attached presentation There was a discussion around the room where experiences were shared and the challenges that professionals and people living across Hampshire were experiencing. Speaker 3 Rachel Sale Forget me not Cognitive stimulation therapy Rachel gave a presentation please see attached.
