Request

I would like to know the following: Please detail the number of laptops, tablets and phones purchased by your department, as well as the average cost per device.

Please provide this information by year from January to December for the past three years.

Response

July 2025 – July 2026

Laptops – 312 purchased / average cost of £666

Tablets – 22 purchased / average cost of £368

Phones – 22 purchased / average cost of £127
