

FOI REF:	17445
RESPONSE SENT:	28/07/26

Request

Please provide the following about your organisation's use of generative AI (such as ChatGPT, Microsoft Copilot or Google Gemini):

1. Does your organisation have a formal written policy or guidance governing staff use of generative AI tools? Please answer yes or no.
2. If yes, on what date was it first adopted? Please provide a copy or a link.
3. Which generative AI tools, if any, are formally approved or licensed for staff use?
4. Which generative AI tools, if any, are explicitly blocked or banned on your network or devices?

If no policy exists and no tools are formally approved or blocked, please confirm that.

Response

1. No
2. n/a
3. CoPilot
4. No AI usage is specifically blocked/banned, usage is managed by IT.
