9th August 2013

Dear Sir or Madam,

Examination of the Winchester City Council Community Infrastructure Levy Charging Schedule

I have been appointed as the Programme Officer for the Examination of the Winchester City Council Community Infrastructure Levy Charging Schedule.

Winchester City Council submitted the Draft Charging Schedule on 26th July 2013 to the Planning Inspectorate. The appointed Examiner, Mr Philip Staddon, has set a date of 16th / 17th September 2013 for a Hearing to consider the views and evidence of Representors who wish to be heard in person.

You have previously commented on the published Draft Charging Schedule or the published Statement of Modifications. In order that we can programme the Hearing efficiently, I would be very grateful if you could confirm if you wish to appear at the Hearings, or if you would be content to rely on your written representation(s). You can contact me by telephone, email or post (details above).

I would be grateful if you would respond as soon as you are able, ideally within the next seven days.

I look forward to hearing from you.

Thank you.

Yours faithfully

**Rosemary Morton
