SUMMER FUN AT HEREFORD PARK

WELLINGTON PARK

Supported by Hampshire Constabulary, Havant Borough Council, Radian and Winchester City Council, local children and adults enjoyed a very special start to the recent August Bank Holiday weekend. Juggling, spinning plates, bike marking, colouring fun, helpful advice and *free* ice creams were all part of the super fun afternoon that took place at the Hereford Park green space on Friday 28th August. Staff from "Creative Palaver" were also commissioned to lead a range of Circus skill activities throughout the afternoon. Some 80 children and adults enjoyed the fun packed afternoon and the sun shone throughout!

IMPORTANT NOTICE:

CAR PARKING

PLEASE HAVE CONSIDERATION FOR OTHER RESIDENTS

Concern has been expressed about some residents who have parked their cars opposite to their neighbours garage and driveways making it impossible for those residents to use them.

Please have consideration for other residents and park in your own garage and driveway areas so that you do not obstruct access to the parking facilities of other residents.

Thank You for your support.

Teen Swimming Session Waterlooville Leisure

Horizon Leisure Centres have introduced Teen only swimming sessions at Waterlooville Leisure Centre on a trial period until Friday 16th October 2015.

It is only £2.00 per teen per session and will take place on Monday's and Friday's 7.00am – 7.30am.

If the sessions are popular they will become a permanent weekly activity.

BEREWOOD PRIMARY SCHOOL RETURNS TO ACTION AFTER THE SUMMER BREAK

On Thursday 3rd September Berewood Primary School welcomed over 50 new pupils into the school, forty of whom started in the Reception

classes, and other children joining in Key Stage 1 and 2 as more homes open in the West of Waterlooville development.

Whilst enjoying a relaxing and peaceful summer break, the school team also had some busy days preparing for the new academic year. New equipment and resources were purchased for the additional classes that have opened; new displays were prepared to enrich the learning environments, and lesson planning was completed with eyes on the new National Curriculum and the changed national assessments that will take place next summer term.

Tuesday 8th September was the anniversary of the school's opening day. Mrs. Patrick (Headteacher) said; - "It was a joyful moment as I recalled the hard work and dedication of all our team and the achievements of our children. Last year everything we did was new and all our events and activities were tried for the first time. Our supportive families and Parent Teacher Association, our delightful children and our determined Governors, together with the University of Chichester Academy Trust, have all enabled us to put down strong foundations for our school."

WATERLOOVILLE COMMUNITY FORUM

EVENTS TEAM

Who are we? A group of residents and agencies got together a few years ago and formed the Waterlooville Community Forum to discuss issues within Waterlooville and to find solutions. A sub group of the Forum is the Events team. Again this is local residents and some agencies that set up and promoted events around the Waterlooville area. Over the last 4 years the events team have run the Waterlooville Summer Fete, the Xmas Event and the Xmas Grotto.

Why do it? The local residents on the team do it because they want to see Waterlooville prosper. The aims are defined:

- Encourage a sense of pride and community spirit in Waterlooville
- Make the Waterlooville Town centre a place to visit
- Increase the footfall into the town.

Perhaps you would like to become involved? Why not? We are friendly and we all have the same vision. To make Waterlooville better!

What events are planned for the future?
Saturday Bandstand. Once a month there will be a free concert in Waterlooville Town centre. We have recently enjoyed the Pink Floyd Tribute Band 'the Wall of Floyd'; in August the music was "Jive"; and for September we had 'Soul and Motown'. Come and enjoy the music, bring a chair and relax. October will be; October 'Schools'; followed by a November 'Xmas event'. The concerts will start again in March 'Jazz'; April 'Folk'; and May 'Musicals'.

Into music then why not get involved? It is your town!

Lots happening, why not visit our Facebook page; Waterlooville Forum and Events (share with your friends to get Waterlooville on the map!) Even better why not volunteer to help?

UPDATE FROM

CARE HOME

Justin Blay, Site Manager advises that the site is progressing well, with all ground works complete.

The crane has now been erected and construction of the timber frame has now commenced and is progressing at a rate of one floor a week.

EXTRA CARE SITE

The foundations are now complete, as is the sub structure block work.

The external drainage connections in Foxtail Road were completed by the week ending 11th September 2015.

Block and Beam flooring is also booked in for installation towards the end of the September.

Smile Support & Care

A local charity for disabled children & their families complete their new “state of the art” Respite Care Centre in Waterlooville!

SMILE offers breaks to disabled children and young adults, as well as providing them and their families with a place to enjoy precious time together.

Their new centre features:

8 en-suite bedrooms; 2 family apartments; a restaurant-style dining room; state-of-the-art sensory room; physiotherapy & treatment room; sensory gardens & specialist play area.

The charity is continuing its fundraising work to maintain the centre.

You can support their appeal by planning your own fundraising event or collection with friends, colleagues or family, or nominate Smile as your charity of the year at school or work.

Email SMILE today at: fundraising@smilesupport.org.uk.

GP Exercise Referral Scheme

Horizon Leisure Centres have launched their second GP Exercise Referral scheme at Waterlooville Leisure Centre.

It's a 12 week structure course that educates patients about the need and safe physical activity that they are able to undertake on a regular basis.

Specialist trainers support patients through the programme.

More information at: www.horizonlc.com.
