Appeal procedures explained

The Written Representations Procedure

The timetable for the written procedure is designed to make the appeal proceed quickly and fairly. Everyone involved in the appeal should keep to the timetable or the Inspector may not consider their comments.

Hearing Procedure

If the appellant or Winchester City Council don't agree to the written procedure, there will be a hearing or inquiry instead. Hearings are less formal than inquiries and the Inspector will lead an informal discussion on the main issues. People don't usually have a legal representative with them at hearings.

The hearing procedure is usually quicker and cheaper than an inquiry. The Planning Inspectorate will agree to a hearing whenever it is appropriate.

4 weeks before the date of the informal hearing I will contact you giving details of the date and venue so that if you wish you may attend and at the Inspector's discretion give your views on the appeal

Inquiry Procedures

The Planning Inspectorate holds an inquiry if the appellant or Winchester City Council decides that the appeal is complicated or controversial, or has caused a lot of local interest or where it is necessary to cross-examine witnesses.

Sometimes the Planning Inspectorate themselves decide that an inquiry is necessary.

4 weeks before the date of the public inquiry I will contact you giving details of the date and venue so that if you wish you may attend and at the Inspector's discretion give your views on the appeal.
